

KENSINGTON GLOBAL PRIVATE EQUITY FUND INVESTS IN KILMER CAPITAL FUND II L.P.

For Immediate Release: TORONTO, August 16, 2007 — Kensington Capital Partners Limited, Canada's leading independent private equity fund investor is pleased to announce a commitment by the Kensington Global Private Equity Fund to **Kilmer Capital Fund II L.P.**, a Toronto based investment fund dedicated to building pre-eminent companies in partnership with management, with a focus on companies seeking financing for expansion, acquisitions, management buyouts, leveraged buyouts, restructurings, recapitalizations and privatizations.

The Kensington Global Private Equity Fund offers individual investors a diversified portfolio of world-class private equity investments, including hard-to-access private equity funds and direct investments in private companies. Traditionally, investments in private equity have only been available to investors who could meet very high minimum investment thresholds. The Kensington Global Private Equity Fund was established to make these investment opportunities available to the broader investing public.

The Kensington Global Private Equity Fund continues to review other attractive opportunities for investment.

About Kensington:

Kensington Capital Partners Limited is Canada's leading independent private equity fund investor, founded in 1996. To date, Kensington has received commitments of over \$350 million for private equity investments through its fund-of-funds and direct co-investment programs. Institutional investors such as pension funds and professional asset managers, as well as high net-worth individuals and retail investors, hold Kensington funds. Kensington has consistently achieved top-quartile financial returns for its investors. For more information on Kensington Capital Partners Limited and current offerings, please visit www.kepl.ca.
